

May 2020

Greetings Friends of EDUF

We trust you are safe and well during these days of COVID 19. We all hurt for those suffering loss during this time and pray for God's comforting hand on those hurting around the world. It reminds us again of the importance of knowing Him. Please continue to be safe.

Recently, Education Development United Foundation was made aware of two opportunities for "promoting education in Africa". We want to make you aware of these and give you a chance to participate in meeting the challenges. The EDUF board felt a letter to our friends and supporters would be an appropriate place to start to meet these challenges.

First, we have received notice from Trevecca Nazarene University that there is a donor that will match dollar for dollar whatever EDUF would add to our Africa Education Endowment. Several students from Africa have benefited from this Endowment during that past few years and others will in the future. We would like to increase this endowment as much as possible and have set a goal of \$10,000 as a minimum to be matched. We would like to give you the opportunity to join us in this endeavor. If you would like to assist in this way please send your check to our Treasurer, Frank Hallum Jr, 2850 W. Jay Jay Rd, Titusville, FL 32796 or go to our website and give on line or make donation from our Facebook page.

Our second opportunity is to donate to the printing of the Bible in a local language in Nigeria. The request comes from CLA (Christian Literature for Africa), one of our chapters of EDUF. The requested amount is \$1,000. Many local language groups are small and literature in those languages would be very limited. We may want to do more later but this is where we start. Again, your support will be greatly appreciated.

Thank you for your support and prayers for EDUF as we continue to do our best to encourage education in Africa.

Stay safe and God bless you and yours,

Peter Ken Walker, EDUF President
