October 2023 News and Prayer Concerns

## EDUF Election Results

At the Annual Membership Meeting of EDUF held on Zoom on October 17, ballots were cast remotely and during the gathering. The following trustees were elected unanimously: Carol Rotz, Daryll Stanton, Dave Boblitt, Fred Otto, Hilbert Miller, Jeff Hitchcock (intern), Joel Scott, Lauralee Nothstine, Lisa Morrison, Margaret Scott, Pat Crane, Randall Craker, Randall James, Sharon Bull, Tammy Carter, and Tom Nothstine.

Hats off to these dedicated and excellently qualified leaders!!!

**EDUF OFFICERS.** The trustees then elected board chair, Randall Craker, board vice-chair, Randall James, and Secretary, Sharon Bull. Because of the passing of the esteemed district superintendent of Washington Pacific district, Rev. Jerry Kester, an interim superintendent was designated - EDUF board chair, Randall Craker. So, EDUF trustees elected Randall James to be interim chair and Carol Rotz to be interim vice chair. Other EDUF officers, treasurer, office manager and president are elected by the board.

## Change in TNU Scholarships

At the Annual Membership Meeting, the board also voted to modify the criteria for the EDUF endowed scholarship at TNU. This change has already been implemented at the university. It now reads: *The scholarship will be awarded to a student from Africa who*

- *is enrolled in any degree program (undergraduate, graduate, or post-graduate) and*
- *will communicate each term with the donors, Education Development United Fellowship, by email Admin@eduf.org.*

This modification enlarges the pool of students eligible to apply.

## Monies Moved to Africa

Because of many of YOU, faithful people and churches, our giving, reported in the table below, totals almost \$30,000. Praise God! All donations still coming in this year will be moved to the designated projects in Africa.

\$10,000	F.A.T.E.N. (degree-level training for French-speaking leaders)

## Prayer Concerns

May the Spirit of our living Lord undertake for

- Randy Craker, the Kester family, and all of the folks of Washington Pacific District as they mourn the loss of their beloved leader and transition to new ground.
- The officers of EDUF, especially Randy James and Carol Rotz as they step into new, interim roles.
- President, Margaret Scott, as she leads EDUF in the development of two new initiatives that have great potential for African leaders.
- African leaders gearing up for PALCONs (Pastors and Leaders Conferences).
- African students in the nine Nazarene institutions in their programs of study.

In covenant partnership with the office of the Regional Education Coordinator, the mission of EDUF is to fortify ministerial education throughout Africa. With the Africa region we share the theme that underlies the core values: TukoPamoja, the Swahili word that means WeAreTogether.

## eSwatini Anyone?

Dr. Ken Walker and Dave Boblitt are putting together a Project Team to work next summer in eSwatini. They have space for others. If interested, call Ken: (812) 972 2451.
