

OCTOBER NEWS FROM EDUF: Wesleyan Holiness Digital Library

Education Development United Fellowship comes alongside African leaders to fortify ministerial training throughout Africa by way of the Core Activities: Connection, Creative Academics, Funding Resources, Library Development, Project Teams, Prayer.

EDUF'S CORE ACTIVITIES

The most important piece of Library Development is the WHDL (Wesleyan Holiness Digital Library). This newsletter starts with screenshots of the WHDL website WHDL.org and shows snapshots (thanks to Noreen Del Rosario) of recent meetings of WHDL in Lenexa. EDUF encourages you to visit the website, browse and share with other learners. Digital, accessible educational resources are key to ministerial training across the globe. EDUF celebrates the amazing work of Nazarene librarians, IT pros and others who dreamed of WHDL, then made it happen! Key leaders of WHDL are also trustees of EDUF, Rev. Dr. Tammy Carter and Dr. Sharon Bull. Kudos to all.

Please see a screenshot below of the homepage of the WHDL website. It can be accessed in seven different languages with resources in 70 languages.

The website gives access to resources from 28 partner institutional digital libraries, i.e. repositories.

Other news in October:

- Because of the closing of Eastern Nazarene College in Quincy, MA, the library there, about 120,000 items, must be completely shut down, a gigantic task. Dr. Sharon Bull and the ENC Librarian, Amy Hwang, have organized the sorting, packing, and shipping of 12,000 items to five Nazarene campuses that were chosen by the leaders of these campuses. The ongoing task of this shutdown will extend through November.
- Dr. Mark Mann, who is Professor of Theology at Point Loma Nazarene University and Director of Honors Scholars Program, is investing sabbatical time in Africa with three of our Nazarene institutions there. Dr. Mann accepted nomination and was elected to be a new trustee to the board of EDUF.
- Dr. Margaret Scott, EDUF President, initiated Zoom meetings with a new EDUF committee. Named by Dr. Gabriel Benjiman, the committee is the G.R.A.N.Team (Grant Researching Africa Nazarene Team). This initiative is a result of another set of recent meetings of Nazarene GrantPros, hosted and sponsored by Global Education and Clergy Development.

EDUF thanks you for reading, praying, and supporting the mission of
"Fortifying Ministerial Education Throughout Africa".
