

Languages, Laboratories and Light - EDUF November 2025

Dear Friends of Nazarene Education throughout Africa,

Languages. When I have the opportunity to share about Nazarene Education in Africa, I usually ask these questions to those gathered:

- Do you know how BIG Africa is? (Africa is vast enough to fit the United States, China, India, Japan, and all of Europe inside it simultaneously with room to spare.)
- Do you know how many countries there are in Africa? (54)
- Do you know how many languages are spoken on the continent? (1500-2100)

Let me ask you one more. Do you know how thankful our brothers and sisters in Africa are for all the ways that YOU have come alongside them in our joint mission to strengthen ministerial education throughout that huge continent? Please accept their thanks from their many mother tongues.

Laboratories. Maybe you'll remember that this time last year we had LOTS of helping hands to the tasks of gathering from the closure of Eastern Nazarene College books and scientific items for sale and for donation, loading them up for shipment to NCM/Canada then on to eSwatini. Marg Strahbaum, a key connector in that big project has joined EDUF as a trustee. Yay! Check out the photos below of microscopes from Quincy, MA being used at Southern Africa Nazarene University. They're good to see, aren't they?

Dr. Faith Mlota-Mngomezulu, Vice Chancellor at SANU writes that classes began on November 10th. Several medical science majors are being financially assisted by one very special donor to EDUF who will now sponsor two nursing students. From the outset, EDUF leaders have understood that Christian ministry is not limited to the role of pastor, so we are pleased to make connections between donors and students in Africa.

Light. While darkness abounds in our societies and in our world, may we all keep focusing on Jesus, who shines in the darkness, and who uses each of us to do the same. Apostle John writes in John 1:1-5:

*In the beginning was the Word, and the Word was with God,
and the Word was God. He was with God in the beginning.*

*Through Him all things were made;
without Him nothing was made that has been made.*

In Him was life, and that life was the light of all mankind.

The light shines in the darkness, and the darkness has not overcome it.

If God would lead some of you to give to scholarship nursing students in eSwatini or Nazarenes in other parts of the world, EDUF will be happy to make that happen. If you want to ask for more specifics, email us at Admin@eduf.org.

As always, when you give, just indicate where you want your funds to go. You can write on the memo line: Founders' endowment, Other-than-Africa fund, TNU, NNU, SANU, ANU and we'll put it to work for you according to your designation.

"Walkin' in the light as He is in the light"

– and we have fellowship one with another! Amen!

Margaret Scott
President
Education Development United Fellowship

Here are a couple of things to consider as we end this month's newsletter:

How to connect with EDUF: [Join Us – EDUF](#)

There are several ways you can give to EDUF to support African education:

- Via the 'donate' button on our [website](#)
- Via [Tithe.ly](#)– just search for EDUF
- Via [PayPal](#)
- Mailing a check payable to EDUF to our Treasurer:
Lauralee Nothstine, 2412 Wildflower Cove Dr, Mishawaka, IN 46545
